MIG WELDING GLOVES

Cut resistant Kozane® FR material and goatskin.

• Superior gloves for MIG welding as well as for handling sharp sheet metal etc.
• Provides exceptional comfort and extreme cut and puncture resistance.
• High protection against heat combined with excellent dexterity.
• Lasts 4-5 times longer than regular MIG gloves made from goatskin.
• Increases the efficiency and safety far beyond anything currently seen in the welding business.
• Reinforcements sewn on to the thumb base for extra durability.
• 14 cm cow split leather cuff.

Suitable for:MIG welding | Grinding | Cutting.
