CARMEL JACKET

Like its predecessor, this jacket is designed to protect you from the elements. It features a post-consumer 100% GRS and OEKO-TEX® certified recycled polyester mechanical stretch shell fabric and regular polyester lining, providing weather protection and comfort. The 10 000 WP / 3 000 MVP, fluorocarbon-free Rudolf Bionic-Finish® ECO, and critically taped seams assure the jacket’s windproof and water repellant properties. The inside of the collar is dressed in jersey and fleece for extra comfort, and the front zipper is reinforced with rubber for increased waterproof properties. The cuffs are made from durable lycra and equipped with strong Velcro for easy size adjustment. The hem is adjustable with an elastic string. Inside the jacket, you’ll find two smart pockets.

SKU: 2201 | **Categories:** Jackets, Unpadded |
