BODYSHELL JUMPER FLAME RETARDANT

Anti-static, flame retardant and arc protected base layers top made from a soft, rib-knit, modacrylic, and cotton blend material, that provides both protection and good comfort. This top has long raglan sleeves with rib cuffs, a rib-knitted turtle neck, a front placket from the top of the neck, down to the chest panel seam, the front placket closed with velcro. Two chest pockets, with flap, integrated with the chest panel that closes with velcro.

Color: Black
