DECK BOSS SLIP-ON

The DECK-BOSS Sandal is the perfect combination of comfort and performance in one package. Grundéns teamed up with SeaDek™ Marine Products to bring two of the top brands in fishing together to create a durable, shock absorbent sandal. The SeaDek™ footbed reduces fatigue created by standing on hard surfaces and provides exceptional traction on the top side of the sandal, combined with a molded EVA midsole for extra cushioning. This platform is built on a non-marking, siped gum rubber outsole that ensures superior traction on all surfaces, keeping you firmly planted to the deck during the most exciting moments of the day.
