

EMMA MAX

Our metal-free shoe, 'Max', is ideal in logistics and electronics. There is no need to remove your shoes whenever you enter the factory or go through security gates, saving you plenty of time over the course of the day. The microfiber top is easily maintained, supports the foot properly and is amazingly soft, supple and comfortable. Your feet remain wonderfully fresh throughout the day, thanks to Hydro-Tec® Antibacterial, EMMA's unique dry feet innovation. The TPU GripForce® Easy Twist outsole offers maximum grip, is durable and highly recyclable. Furthermore, the TPU airbag gives you an upward lift to the next step.
