GLOVE ANSELL MICROFLEX® 50PCK

Disposable glove MICROFLEX® 93-260 with three-layer design that provides tough protection against stronger chemicals including acids, solvents and bases. Unmatched comfort. Extra soft material and ergonomic design for a premium fit, feel and flexibility. Lower acceptable buttonhole incidence (0.65 AQL) for reliable protection against hazardous substances. Silicone free. Suitable for inspection, selection, and control of parts, assembly and inspection of components, repair and maintenance of equipment, aftermarket for automobile, oil, fluids and filter exchange, mixing, composition of solids and liquids, and transfer of liquids and solids. Sales unit: 1 box of 50 pieces. Carton: 10 boxes of 50 pieces
