

JOKAPOLAR -50 °C

Colour: Black, comes with grey fur lining

Size: 10-12

Length: 25 cm

JokaPolar is a flexible and durable finger glove designed for work with oils and chemicals. The product has a removable, artificial fur lining to keep your hands warm!

A durable, double Vinyl 360° cover stays flexible in freezing -50°C. Granulated TopGrip®-surface keeps your grip in dry, moist and even in oily circumstances.
