

## LAUNDRY BAG

**SKU:** 0-47000-0-40-ST | **Categories:** [Extras](#), [Laundry](#) |

## PRODUCT DESCRIPTION

Benefits of using a Micro Plastic Washing Bag is microfiber particles collect in the bag and thus does not follow into the drain. Ultimately, therefore, it does not affect organisms that live in the rivers and oceans - and there again the food we eat. Garments that contain polyester, spandex or other synthetic materials are advisable to wash in such laundry bags. Microplastic fibers will collect at the edges of the bag and can then be removed and disposed in the general waste. The result being more environmentally friendly!
