MADISON SAFETY SHOE

The Monitor Madison is a basic safety shoe in a sporty design at a very competitive price. The shoe is made with an outer sole of 2 density Polyurethane with an upper part in microfiber with an extra toe reinforcement in rubber. The toe cap is made of steel and the nail protection in APT. The shoe also has Monitor's SS2.0 insole with 3 different cushioning zones. A good safety shoe at a very competitive price. The shoe is made of a pu-coated upper leather with moisture-transporting textile lining and has a two-density pu sole with good cushioning. The tongue is padded. A good safety shoe at a very competitive price.
