

MIG WELDING GLOVES

Cut resistant Kozane® FR material and goatskin.

- Superior gloves for MIG welding as well as for handling sharp sheet metal etc.
 - Provides exceptional comfort and extreme cut and puncture resistance.
 - High protection against heat combined with excellent dexterity.
 - Lasts 4-5 times longer than regular MIG gloves made from goatskin.
- Increases the efficiency and safety far beyond anything currently seen in the welding business.
 - Reinforcements sewn on to the thumb base for extra durability.
 - 14 cm cow split leather cuff.

Suitable for: MIG welding | Grinding | Cutting.
