

## PAINTERS TROUSERS WITH STRETCH

Smart, functional painter trousers with nail pockets that can withstand heavy-duty use. Stylishly designed trousers, extremely hard-wearing but still lightweight and flexible. The material is lightweight ripstop and has good tear resistance and an ability to withstand wear and tear. The model has stretch panels in the crotch, on the knee and the calf for maximum flexibility. The top-loading kneepad pockets in CORDURA® stretch fabric, with stretch material both inside and outside, provide a more ergonomic fit. The trousers have nail pockets and CORDURA®-reinforced filling knife pocket, knife pocket, discrete reflective details and an internal mesh phone pocket.
