PAINTERS TROUSERS WITH STRETCH

Smart functional painters trousers that withstand tough use. Stylishly designed trousers, extremely hard-wearing but still lightweight and flexible. The material is lightweight ripstop with good tear resistance and the ability to withstand wear and tear. The model has stretch panels in the crotch, on the knee and the calf for maximum flexibility. The top-loading kneepad pockets in CORDURA® stretch fabric, with stretch material both inside and outside, provide a more ergonomic fit. The trousers have a CORDURA®-reinforced filling knife pocket, knife pocket, discrete reflective details and an internal mesh phone pocket.
