

SAFETY SHOE SIEVI WHITE ROLLER S2 BOA

The hottest shoe on the market for the food and pharmaceutical industry has now become even better. The shoe is made of, among other things, microfiber, which is a light material and holds up well for frequent washing.

PRODUCT DESCRIPTION

Material: Microfiber, Outsole of polyurethane in one layer

- Boa lacing system
- Made of white microfiber for conditions that set high hygiene requirements
 - Toe cap in aluminum
- FlexStep - Good grip and shock absorption at work. The material in the outsole retains its excellent shock-absorbing effect and elasticity even in cold conditions.
- 3D-dry lining - Sievi has developed its own lining material that absorbs and transports moisture closest to the foot and further out of the shoe.
