SECURE 1 HELMET MOUNT

The helmet mounted earmuff is the ideal choice for any work that requires head and hearing protection. Its durable construction withstands rough environments and the slim design reduces the risk of snagging in branches or confined areas. Protection level 1 is suitable for low to medium noise levels, between 75-90 dB. A perfect choice for noise protection in many different work environments such as general manufacturing industries, working with electric power tools and for short term noise exposures.

- Protection level 1 for low to medium noise
- Very slim and light weight
- Approved with most popular safety helmets
