

## SERVICE TROUSERS WITH STRETCH

Flexible and strong service/transport trousers suitable in different situations that require comfort and freedom of movement. These trousers have an elasticated waist plus a slightly narrower fit and have stretch panels for increased flexibility. The reinforced knee with CORDURA® Stretch fabric increases durability even more. The trousers have two back pockets, bellows pockets on the front and one leg pocket suitable for storing documents. Contrasting colours on the zip and seams increase the overall impression. Black reflective details give the garment increased visibility.
