

SOLID GEAR REVOLUTION DAWN

1 799 kr

Revolution Dawn is the latest addition from Solid Gear to utilize the revolutionary ETPU-technology. The more energy you give, the more you get back. The shoe provides endless cushioning and comfort. Upper with stretch and CORDURA® gives the Revolution Dawn amazing properties in terms of breathability, fit and flexibility. To provide optimal protection without sacrificing comfort, Revolution Dawn uses the specially developed NANO toe cap. The NANO toe cap is 40 % stronger than fiberglass, lighter than other materials used in safety shoes and thinner than other non-metallic toe caps. Using PU foam Sock Technology the comfort in this shoe is best in class and slip resistance class SRC ensures the highest level anti-slip.
