SUIT TYCHEM 6000 F

Chemical suit Tychem® with hood. Type 3B, 4B, 5B and 6B, with protection against numerous toxic industrial organic chemicals, highly concentrated inorganic chemicals and biohazards. Elasticated face, wrists, waist and ankles for an optimal fit, thumb loops prevent sleeves from riding up. Self-adhesive chin flap for tight seal of suit to face-mask. Protective seams, stitched and over-taped with barrier-tape, providing barrier performance equal to that of the fabric. Double self-adhesive zipper flap offers high level of protection. It has a variety of applications, from chemical spill cleanup, emergency response and petrochemical applications. Carton: 25 pcs
