

WOMEN'S DECK BOSS ANKLE BOOT

DECK-**BOSS**™ Ankle Boot is built with the comfort of anglers in mind. Utilizing a thermoregulated, anti-microbial cooling liner, these 100% waterproof ankle boots slip on with ease, providing all-day protection to keep your feet comfortable, cool, dry and protected from the elements. An asymmetrical topline provides ergonomics and comfort while moving around on deck. A non-marking siped gum rubber outsole ensures superior traction on all surfaces. Keeping anglers planted to the deck when the fish of a lifetime shows up, and there is no time to think about anything other than what's on the end of the line.
