

WOMEN'S HI-VIS JACKET

The jacket is crafted from a durable, lightweight, water-repellent material to guarantee superior comfort and performance. The jacket is not lined and is designed to make you visible from all directions, with reflective trim all round, even across the shoulders so that you are visible from above and when you bend down. The jacket is shorter at the front to allow maximum ease of movement, longer at the rear for greater protection of the lower back. Certified according to EN ISO 20471, Class 2 high-visibility clothing.
