MIG WELDING GLOVES

Cut resistant Kozane® FR material and goatskin.

- Superior gloves for MIG welding as well as for handling sharp sheet metal etc.
- Provides exceptional comfort and extreme cut and puncture resistance.
- High protection against heat combined with excellent dexterity.
- Lasts 4-5 times longer than regular MIG gloves made from goatskin.
- Increases the efficiency and safety far beyond anything currently seen in the welding business.
- Reinforcements sewn on to the thumb base for extra durability.
- 14 cm cow split leather cuff.

Suitable for: MIG welding | Grinding | Cutting.
