LIFE JACKET

CREWSAVER SWIFT WATER RESCUE 80N

The Swift Water Rescue Jacket is a top of the range multi-purpose rescue and emergency response 80N buoyancy aid. The jacket features pockets and attachment points so you can easily store and access your tools and equipment, so you always have the gear at hand for the job you need to do. User friendly and with waist supports ensuring a one size fits all solution, this is a great and efficient choice for rescue teams.

- Side flaps for impact protection which can also be folded to stop build up of heat
- Reflective print to aid visibility
- Specially positioned handles to enable a swift retrieval
- VHF radio pocket with side zip entry for easy use
- ID Flag to allow own branding
- Quick release buckle with toggle
- Custom one size fits all fit to enable swift donning
- Anti snag buckle cover
- Velcro tab for cowtail attachment

HANSEN SEALION SOLAS 150N

SEALION 150N SOLAS LIFEJACKET

Our collection of SeaLion Solas lifejackets is designed for users with high demands on function and comfort. This lifejacket can be used in combination with our immersion suits. The SeaLion Solas provides minimum 150N buoyancy and is certified in accordance with SOLAS' LSA Code. SeaLion lifejackets are designed to inflate automatically when they come in contact with water and contribute to the turning the body face up in the sea.

Facts

- Lightweight and comfortable, construction with focus on comfort
- Contoured around head and neck
- Rough, durable cover fabric in black nylon
- Easy operated front buckle in stainless steel
- Adjustment of waist webbing in the side
- HalkeyRoberts inflators - water activated (automatic)
- Retro reflective tape (SOLAS)
- Whistle, lifting loop, emergency light and buddy line
- Double buoyancy bladder in high-vis material
- Interlocking, assymetrical bladder prevents water to be channelled to your airways (Wave Barrier Technology)

CREWSAVER PREMIER COMPACT ORANGE 150N

PREMIER COMPACT LIFEJACKET

Since the Crewsaver Premier was introduced in July 2010, the lifejacket has led the way in passenger and crew lifejacket safety. Driven by regulation changes for lifejacket accessibility on cruise ships, and customer demand for reduced bulk and improved storage options, Crewsaver has designed the Premier Compact - a 49.2% smaller alternative (by volume) to the original Premier.

The Premier Compact provides the crucial, continued safety and performance features of the previous and delivers improved storage options due to its significantly reduced volume and easy-stack profile. A unique design of the neck opening allows for increased wearer comfort, while durability is assured by the use of tried and tested quality components.

KEY FEATURES

- MED approved
- Minimum of 150N
- Efficient use of storage space at only 17.4 l - 49.2% smaller alternative to the original premier
- Easy pull-out pillow for intuitive donning
- A foam cut out for the buckle ensures easy stack and- stow, no folding or manipulation required
- Sacrificial stitch at the end of the waist belt to allow it to run free if caught, helping to prevent
- Snag hazards
- Improved comfort and fit around the neck with reengineered neck aperture
- Buddy line and whistle stored in recessed pocket
- High visibility fabric, foam and webbing are a proven success in the field
- Waist belt designed to fit chest girth of 1750mm
- Clear id windows for vessel identification
